

Round Rock El Amistad Club SPONSORSHIP PROGRAM

Brighten Student's Opportunities as They Continue Their Education Journey.

BE A SPONSOR

The Round Rock El Amistad Club Sponsorship Program is dedicated to empowering graduating high school students as they embark on their journey to college. Through generous sponsorship donations, the club helps to provide scholarships and resources essential for students facing financial barriers. This initiative not only transforms the lives of individual students but also invests in the future of the community by creating opportunities for higher education and personal growth.

Becoming a sponsor of the El Amistad Club Sponsorship Program grants various benefits, including access to annual events such as the Fiesta Amistad, the Scholarship Banquet and annual Golf Tournament. These events serve as platforms for celebrating the achievements of scholarship recipients while fostering connections between sponsors, recipients, and the community. Additionally, sponsors gain valuable advertising opportunities, ensuring their business or organization is recognized for its commitment to education and community development.

Beyond monetary contributions, there are numerous ways to support the program, including donations of items for the annual raffle, such as gift cards, products, and services. This not only enhances the event experience but also allows local businesses and individuals to contribute to the cause in a meaningful way.

ANNUAL EVENTS

Fiesta Amistad

Fiesta Amistad is our annual family appreciation and celebration of the Hispanic culture.

Every year since the first Fiesta Amistad held in 1970, we feature a variety of music including Salsa, Country, and Tejano. Throughout the event, attendees enjoy family activities and games, local artists, non-profit organizations, and food vendors.

The Fiesta Amistad is held in downtown Round Rock.

Scholarship Banquet

Each year, the Scholarship Banquet recognizes all scholarship recipients, their parents, sponsors, and members for their achievement, commitment, and efforts throughout the academic year.

Attendees are treated to dinner, a program reflecting the organization's history, Hispanic heritage, the Club's accomplishments during the year, and an opportunity to network with attendees.

The Scholarship banquet is held every Spring.

Golf Tournament

The Annual Golf Tournament attracts individuals and teams from all over Texas.

The event provides a great day of friendly competition, a silent auction, and great lunch.

The tournament is held every September.

Bingo Nights

A portion of the scholarships are underwritten by the El Amistad Club-sponsored bingo nights which are held nightly at Creekside Charity Bingo in Round Rock.
